

**If you are not
accompanying your
children, make sure...**

**They wear a watch and
know when they're
curfew is.**

**Have enough
money to call
home if needed.**

**Not to eat any candy until
they get home and you
inspect it first.**

**You and your children know
in advance the route they
will be taking.**

Be careful when crossing streets.
Walk on sidewalks, not in the street.
Walk on the left side of the road, facing traffic if there are no sidewalks.
Walk, do not run, from house to house.
Do not cross yards and lawns where unseen objects or the uneven terrain can present tripping hazards.

**Never let your
children trick or
treat alone!!**

**Especially under the
age of 12.**

**It makes it hard
to kidnap kids if
other kids are
around.**

**Have them walk with lots
of friends.**

Costume Safety

Tips:

- Make sure the material is fire resistant.
- Choose bright colors or add reflective tape.
- Make sure the costume's not a tripping hazard.
- If it's cold outside, wear warm clothes under the costume.

**If they go without you,
remind your children to...**

**Trick-or-treat in
familiar
neighborhoods--at
homes of people you
know. If approached by a
stranger, go to the
nearest well lit house
and find an adult.**

**Don't trust anyone they
don't know or recognize
(even if they think they're
just fooling around).**

**And for all of you who are
old enough to do so...**
